TUF-FENCE®

TUF-FENCE® is Gorilla® Tuf!

This unique fencing system is manufactured by Homeland Vinyl Products specifically for harsh northern climates. The H-post design is precision engineered for strength, beauty, and design flexibility. The non-routed design makes installation easier in almost any weather.

Tuf-Fence has been a market favorite in and around Canada for over 15 years. It is backed by Homeland's limited lifetime warranty and is protected by our ACCU-Shield® formulation. You can feel confident you are getting a proven product to stand up against the elements.

TUF-FENCE is truly...

Tough Enough To Take It!

HVP CANADA
VINYL FENCE, DECK & RAILING

Strong & Durable

Not all Vinyl Is Created Equal!

Homeland® manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

Don't forget accessories...

Homeland® and Waymark® work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match"!

TUF-FENCE® Tough enough to take it.

Possibilities Are Endless!

Tuf-Fence® is constructed with an innovative H-post along with rails and boards that are among the thickest and most robust in the industry.

Tuf-Fence profiles are engineered and manufactured to strict tolerances which combines for a powerful system. All of our Tuf-Fence profiles work in harmony for precision fit which lends itself to custom styles but does not compromise the strength of the fence. This flexibility yet strength of the fence offers homeowners the look that fits their needs.

Why Tuf-Fence
