

# HOMELAND<sup>®</sup> VINYL PRODUCTS, INC.

Homeland Vinyl Products, Inc. manufactures the highest quality vinyl components for use in creating beautiful, long-lasting, low-maintenance outdoor products including fence, deck, railing and specialty structures.

Homeland's network of dealers are known for their innovative use of our vast collection of different profiles to create a wide variety of beautiful and durable exterior finished products. These dealers have built their business with discerning homeowners, builders and commercial property owners who want the very best in vinyl structures. They are also recognized for their commitment to Homeland's demanding standards of quality, service, and customer support. Ask for the best, and you will see who is standing behind your fence. Homeland Vinyl Products, Inc.

**Not all Vinyl Is  
Created Equal!**

Homeland<sup>®</sup> manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield<sup>®</sup> formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

## Don't forget accessories...

Homeland<sup>®</sup> and Waymark<sup>®</sup> work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match" !

Fence

Deck

& Rail

Homeland Vinyl's fence and rail products are VMA Certified #ID-002

## Turn An Ordinary Backyard Into An Extraordinary Retreat.

With Homeland® profiles, there is almost no limit to your imagination in creating the perfect look for your yard. Homeland profiles are specially engineered to retain their freshly painted appearance and can keep yards looking their best – even when the weather is at its worst. All Homeland components contain the most advanced UV protection under the sun, our ACCU-Shield® formulation. ACCU-Shield's protective outer layer is engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays, as well as making them impervious to insects and moisture and will never rot, split, splinter, or decay. They are available in a choice of designer colors and will never need sanding, sealing or painting. Best of all, every Homeland vinyl component is backed with a limited lifetime warranty.

As a Homeland Vinyl Products, Inc. customer, your satisfaction always comes first. Homeland is committed to maintaining the highest levels of integrity and customer service – a commitment sustained through continuous communication with our independent dealers and our exclusive Security Alliance pledge of quality and VMA certification. In addition to the array of fence, deck, railing and outdoor structures you see here, many Homeland dealers also offer other specially designed products that they manufacture exclusively using quality Homeland components.
