Homeland® manufactures the toughest PVC profiles with the most advanced UV protection under the sun, our ACCU-Shield® formulation.

ACCU-Shield is our protective outer layer engineered to significantly reduce oxidation and the damaging effects of the sun's ultraviolet rays. Even in harsh climates, ACCU-Shield protects the color and sheen of our products for a longer period of time. Simply put, there is no better protection under the sun than ACCU-Shield.

## Don't forget accessories...

Homeland® and Waymark® work hand in hand to design our products to work as a **system**, from our precision fit designs to our color matching. Homeland and Waymark are "the perfect match" !

## Why Gorilla® Lock?

- Removable For Seasonal Usage
- Low Maintenance • Easy Installation
  - Perfect for Docks
- Hidden Fasteners • Strong
  - Variety Of Colors
- Consistent Spacing For Water Drainage

## Above And Below The Surface

Gorilla® Lock decks have traditional gaps between boards for water drainage, as well as state-of-the-art installation, performance and appearance.

If this feature is not right for your project, Gorilla Deck®, when properly installed, will channel water off at the ends of the deck and help prevent water from traveling between deck boards, to keep the area under the deck drier.

See [Gorilladeck.com](http://Gorilladeck.com) for details.

## Gorilla® Lock Warranty

Homeland Gorilla Lock will never rot, split, or decay, and is impervious to insects and moisture. Every Gorilla Lock Deck board is covered by one of the toughest warranties in the industry making it the right choice for any homeowner. See Gorilla Lock Warranty for details.

## Gorilla® Lock Makes Installation A SNAP!

## Gorilla® Lock Makes Removal A SNAP Too!

## Removal Is Just This Easy

(You must have access to bottom of deck boards)

- Connect the cam (sold separately) to a 1/2 Wrench
- Insert the cam into the locking channel under the board
- With a slight turn on the wrench, the channel will expand enough to release the board from the bracket on the mounting strip.
- Repeat at each cross board.
